WHISKY TASTING

WHISKY BY FLAVOUR

If you're struggling to select which whisky to buy, Churchill 's Bar is here to help. The Whisky Exchange (TWE), has come up with eight most common styles of whisky and allocated them to the ones we stock. Each style sums up the flavours you'll find in a glass of whisky, so whether you 're looking for an elegant and floral dram or something loaded with rich fruit and spice, you 're bound to find a whisky you can savour.

The following whisky tasting consists of:

- Half tot (15ml) servings of whisky, grouped together by flavour or by theme
- A custom made tasting mat, complete with notes and relevant information
- Pipettes for water addition
- Water biscuits for palate cleansing
- A management team to answer any possible questions you may have
